# WE'RE LOOKING FOR:

- parents, family, and community members who are willing to share about their jobs, careers, workplaces, and training

# INTENDED OUTCOME:

- To provide Woodsdale students an opportunity to learn about what the hard-working members of our community experience each day
- To help students make real-world connections to the required experience or education necessary to achieve what they wish
- To represent the district's vision statement to prepare students "to face the challenges of the future in an ever-changing world"

# WHAT'S NEEDED:

- Ensure CORI is up to date
- Approx 20 minutes of your time, the week of Nov 13-17
- Energy, enthusiasm, and a willingness to connect with our students
