To be eligible for **STEM Forward's $2,500 scholarship**, the applicant must meet the following criteria:

- Be a graduating high school senior residing in the Milwaukee 7 Area. (Milwaukee, Waukesha, Ozaukee, Washington, Racine, Kenosha, or Walworth counties)
- Have a 3.0 GPA or higher.
- Attend a Wisconsin two-year or four-year college or university in the fall of 2025 and pursue a STEM degree.
- Children of a STEM Forward board member or staff member are ineligible.
- The applicant's school and/or school district must participate in at least one STEM Forward program in the past two years (*See list below*), or the applicant personally participated in at least one STEM Forward program in the past. This includes STEM Forward's WI Regional Future City Competition, Engineering Machine Design Contest, Contrapt Wisconsin, and Day of STEM programs. *

The following districts and/or schools have participated in STEM Forward programs in the past two years. Students attending these districts and/or schools are eligible:

Arrowhead Union High School District	Mukwonago School District
Burlington Area School District	New Berlin School District
Catholic Memorial High School	Nicolet Union High School District
Cedarburg School District	Pathways High School
Elmbrook School District	Pius XI Catholic High School
Divine Savior Holy Angels High School	Prairie School
Franklin School District	South Milwaukee School District
Germantown School District	St. Francis School District
Greendale School District	Union Grove High School
Guidance Academy	Veritas High School
Hamilton Sussex School District	Waukesha School District
Marquette University High School	Wauwatosa School District
Menomonee Falls School District	Whitefish Bay School District
Milwaukee Public Schools	Williams Bay School District

* *High school seniors attending a southeastern Wisconsin school AND who have personally participated in STEM Forward programming in the past are eligible for the scholarship, even if their current district/school is not listed above. They must explain this fact in their application.*

Complete the application online at: **www.stemforward.org/se-wi-high-school-scholarship-application-2025**

Scholarship Application Deadline is March 31, 2025
