

MOBILE STEM LAB 2025 HIGHLIGHTS

520 Students

520 students took part in the MATC Automation activities in 2025.

5 Schools

The MATC engaged with 5 schools through our partnership across the Milwaukee area.

23.5 Hours

MATC provided 23.5 hours of instruction to students. Most mobile labs were 6.5 hour experiences.

Note: this does not include travel time, prep time, etc.

Thank You!

“Thank you for bringing this opportunity to our students to get out of the classroom and learn about real-world careers.”
