FLOODPLAIN LAB 2025/26 HIGHLIGHTS

1188 Students

1188 students learned about their communities, what SEWRPC does for them and hands-on activities to highlight the RPC impact.

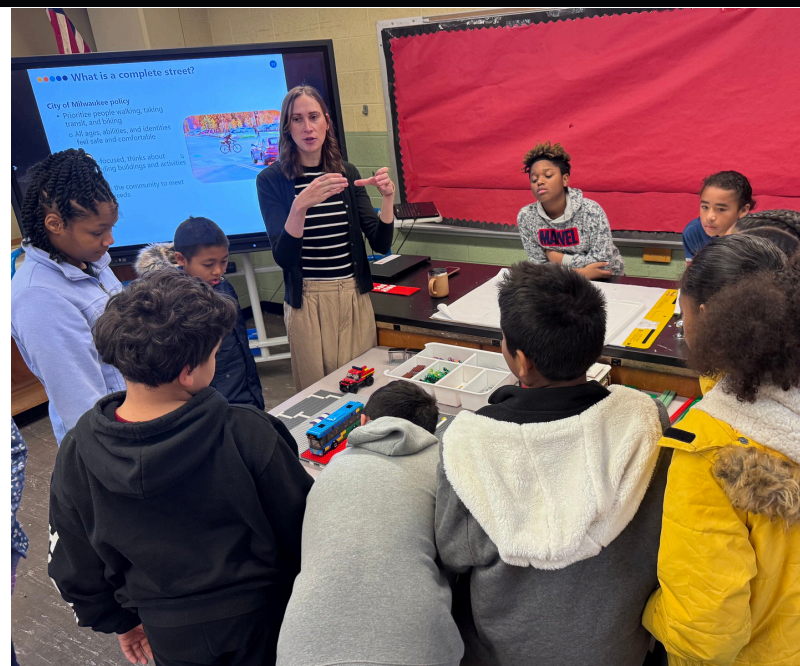

347 Miles

The SEWRPC Team traveled 347 miles from their “headquarters” to provide content to 16 southeastern WI schools.

59.5 Hours

SEWRPC provided 59.5 educational hours to area students. The average school visit was 4 hours.

Note: this does not include travel time, prep time, etc.

Thank You!

“This was a great opening activity for our Future Cities project. We love this program for our learners!”

–Abby S..
