The IAET is offering Illinois Concealed Carry License (CCL) training as a special benefit for its members, friends, and family. A CCL holder may legally carry a concealed handgun in 29 states, including every state that surrounds Illinois.

***Vantius® President and IAET member Sergio Serritella is donating services so that all proceeds benefit IAET and its charitable causes.**

A FOID card is not required to attend. You may apply for one at the same time as your CCL from Illinois State Police.

The fee of \$175 includes all training and qualifications at a Private Range. You may bring or purchase 35 rounds of ammunition and are welcome to use your own firearm or a complimentary loaner for the live-fire qualification at Article II Range, 250 Cortland Ave, Lombard, IL. on Jan 21, 2024.

As a bonus, will use any surplus range time for training on drawing from holster, moving to cover, low light shooting, etc. This exceeds the training requirements of the State of Illinois.

Refresher/Self Defense Portion is \$125. This is **Day one only**, does not include day 2 – range not included. If you wish the additional self-defense and range (Day 2), full fee applies. (Day 2 option only is not available)

The State of Illinois charges residents \$150 and non-residents \$300 for a license that is valid for 5 years. Live-scan fingerprinting, may be available on Jan 20 for a fee of \$60 per person payable to that vendor. You do not have to submit live-scan fingerprints but does speeds the process. **You must have a FOID card to get your CCL.** Apply for FOID at <https://www.ispfsb.com/Public/FOID.aspx> from Illinois State Police
*Estimated based on vender - not part of this course, just point of reference. Live scan subject to vendor availability

Please register and pay by Jan 16th to insure we have the proper space and food arrangements.
