

## Domestic Showcase 2017

It is our first foray into Missouri and we couldn't be more excited.

Last year, Domestic Showcase came close to drawing a record number of delegates and in 2017 we expect nothing less!

Branson will host TSUSA's 35th annual domestic marketplace where more than 500 tourism professionals will gather for 3 days of concentrated meetings. The goal is to deliver more visitors, spending more time and more money in the Southern U.S.

Since this is our first time in the Show Me state, we encourage you to come early and experience what Missouri has to offer. All delegates are invited to take in one of Branson's city tours on Sunday, March 12.

On Tuesday, Sept. 6, registration for suppliers and travel service providers opens. Register early and take advantage of the early-bird discount.

March 12-15, 2017  
Branson, Mo.

"Travel South is vibrant, informative and genuine. Can't wait to introduce my clients to places and areas that they think they already know but don't. That's the fun of being a Travel Planner/Operator...showing something New!"

--Greenwood Travel & Cruise
