ODE TO DR. MIMMS

In the short time that I knew you
An extreme impact was made...
Your smile, your laugh, your powerful gaze
Are memories that will NEVER fade.

Your vision and your legacy
Are amazing gifts to all
And the life you breathed into others
Left us strong, and standing Tall.

Your commitment to Education
From the Hilltop to the world
Left a wake of motivation
As your messages unfurled...

To show the power of our minds,
Reveal the true depths of our soul
To know that WE are Queens and Kings
And have Achievements yet untold

Yes, Miss Maxine, Ms. Dr. Mimms
Our teacher, leader, love, and friend
You are a wonderful, priceless, treasure
Whose legacy will have no end
