★ Updated May 2016

# Business Resource Guide

---

This guide was developed to provide both public and private businesses, human resource personnel, hiring managers and supervisors with relevant federal, state and local level information around their legal obligations. The guide also offers resources that can assist in identifying, funding, and implementing effective accommodation strategies, to create a more diverse workforce that includes qualified employees who experience a disability and those with multiple challenges to employment.

**Prepared for the Disability Employment Initiative by the NDI Technical Assistance Team, U.S. Department of Labor, updated May 2016.**

This project has been funded, either wholly or in part, with Federal funds from the Department of Labor under Contract Number DOLJ131A22067. The contents of this publication do not necessarily reflect the views or policies of the Department of Labor, nor does mention of trade names, commercial products, or organizations imply endorsement of same by the U.S. Government.
