

Green Project and Financing Options for Small Businesses and Contractors

access
+
capital

March 12th, 2026
Thursday @ 2PM-3PM

Need low cost financing to take on green projects? Join Access Plus Capital and the US Green Building Council Central California to explore green project and financing options for small businesses and contractors that promote resiliency. Undertaking green projects such as weatherization, electrification, HVAC replacements, and many more can reduce your energy expenses and promote a greener Central Valley at the same time! Light refreshments to be provided.
