

# Join Our Board of Directors

Join the team that brings great information and resources to local businesses and job seekers!

- ❖ Join us to bring more quality events like the Madera County Employer Resource and Information event and the annual Madera County Job Fair to the community!
- ❖ Be a part of our team of private and public sector partners who work together to improve the economic health of Madera County by providing leadership and guidance resulting in a quality workforce development system.
- ❖ Be part of the Board that provides oversight to the Madera County Workforce Assistance Center and helps prepare local job seekers for local employment opportunities.
