MARCH 31
Early Bird Registration

APRIL 1-30
Late Registration

The Association of Biochemistry Educators (ABE) is a non-profit society of educators in the field of biochemistry from schools of medicine, pharmacy, and dentistry. Our mission is to promote the critical foundational role of biochemistry in healthcare education, foster innovation in biochemistry education, and support the development of biochemistry educators.

BECOME A SPONSOR

Benefits of Sponsorship

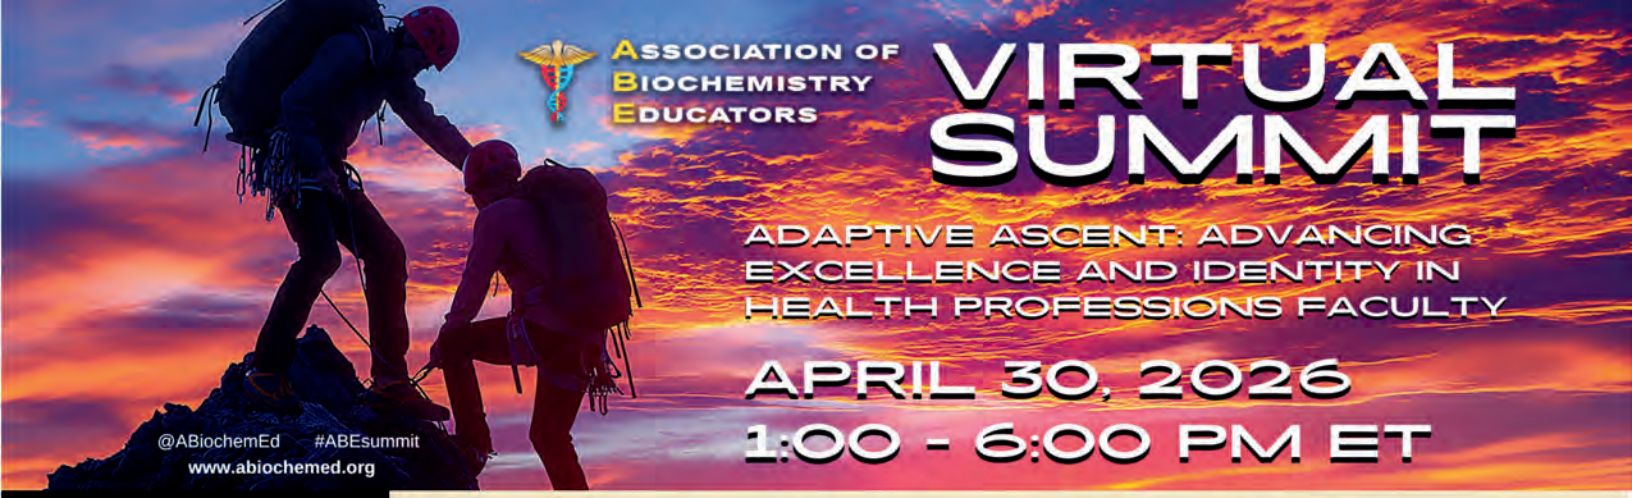

- Connect with 150+ attendees from all over the US and beyond
- Sponsor logo on ABE website, Eventbrite listing, email blasts, and social media
- Sponsor logo and 100-word marketing statement in our program
- Sponsor name/logo on all entry/exit slides
- Complimentary registration for one sponsor representative
- 2-minute pre-recorded video promoting your product to be shown in the opening remarks

Who Should Sponsor?

- Developers of course resources, such as learning management systems, testing solutions, question banks, and more
- Publishers of medical, dental, or pharmacy resources
- Manufacturers of teaching aids or student assessment tools
- National organizations representing dental, pharmacy, or medical science disciplines
