Visit OCMA.org

This one-day conference is organized and facilitated by women physician and healthcare leaders in Southern California. The conference planning committee includes representatives from Kaiser Permanente, CHOC Children's, St. Joseph Heritage, St. Jude Heritage and the University of California at Irvine, among others. The committee is chaired by Darla Holland, MD, past president of the Orange County Medical Association. The target audience includes physicians, residents, medical students and others interested in healthcare policy and issues.
