This one-day conference is organized and facilitated by women physician and healthcare leaders in Southern California. The 2020 conference will be held at the Hotel Irvine in Irvine, CA on Friday, March 20th from 9am to 4:30pm. A social reception will follow from 4:30pm to 5:30pm. This is the second installment of the conference - first held in November 2018. The 2020 conference goal is 150 to 175 attendees which includes physicians, residents and medical students.

The conference planning committee includes physician and healthcare leaders from Kaiser Permanente, CHOC Children's St. Joseph Heritage, St. Jude Heritage and the University of California at Irvine, among others. The committee is chaired by Darla Holland, MD, past president of the Orange County Medical Association.

The panel discussions will address issues unique to current women physicians and healthcare leaders and those looking to assume leadership positions in the future. In addition, "Gender Speak", by the nationally recognized Heim Group, will present an interactive workshop on how men and women in the workplace can communicate with more understanding and appreciation.

We are proud to announce that California's first Surgeon General, Nadine Burke Harris, MD, MPH, FAPP, will deliver the luncheon keynote address. Closing out the conference, we are honored to have Patrice A. Harris, MD, MA, President of the American Medical Association.
