

Clean Up FLORIDA WATERS

REALTORS ORGANIZING
FOR THE ENVIRONMENT

Every year, Realtors® from across Florida come together to protect what makes our state extraordinary — our lakes, rivers, beaches, and waterways.

This is more than a cleanup... it's a celebration of the places we love to boat, paddle, fish, swim and explore with family and friends.

Why it matters

Florida's waterways are the heartbeat of our lifestyle and economy. They are where memories are made — from sunrise fishing trips to sunset beach strolls. But these beautiful places need our help.

Each year, Realtors®, partners, families, and friends unite to:

Remove tons of trash from lakes, streams, bays, the Intracoastal Waterway and our oceans

Restore the natural beauty that draws people to live and visit here

Protect wildlife habitat and improve water quality for all to enjoy
