# AFFILIATE

## *spotlight*

George manages Renovation Sells Southwest Florida, a comprehensive remodeling firm designed for both home sellers and buyers. His aim is to serve as a reliable resource for real estate agents, helping them sell homes more efficiently and at higher prices, all without the usual renovation stress.

The company takes care of everything from design and construction to financing, ensuring a swift and straightforward process. By concentrating on strategic cosmetic updates, typical projects are completed within 4-6 weeks. Their services benefit sellers by increasing home value, while also making outdated properties more attractive to buyers.
