

Marco Island Area Association of REALTORS®

AFFILIATE

spotlight

Jennifer brings 15 years of industry expertise and a genuine passion for luxury custom home construction to The Lykos Group. As a Florida Licensed Realtor, she has experience in project management and custom home builds in Southwest Florida. In her role as Director of Real Estate Development, she fosters strong partnerships with realtors to collaboratively create custom homes for clients and specifications.

Jennifer is responsible for managing all realtor relations, engaging with both new and returning clients, negotiating bids, overseeing permitting, and participating throughout the building process. Additionally, she serves on the Board of Directors for the Collier Building Industry Association.
