

FEBRUARY 25, 2018 MAUI EPISCOPAL CHURCHES WHALE WATCH CRUISE

**Tickets Now Available Our Annual Fundraiser
Benefiting All Four Episcopal Churches on Maui!!**

Our annual Whale Watch Fundraiser is a great opportunity to get out on the water to play with the whales and to support the four Episcopal churches on Maui. It's also a great opportunity for fellowship among all four congregations!

Step aboard the Pacific Whale Foundation's "Ocean Odyssey" to join us along with a professional crew of Certified Marine Naturalists who will take us out to meet and learn about our winter visitors, the Humpback Whales. This will be a two-hour tour where we'll not only see some of these spectacular mammals and learn

a lot about them, but we'll also get to listen to their communication and song through an underwater microphone. This will be a private, chartered tour arranged by the Episcopal churches of Maui however it is open to all who would like to attend. (Non-congregation members most welcome!). Tickets on sale now at MauiEpiscopal.church.

Departing Ma'alaea
Harbor @ 3pm (2:30
