Cost and other information

Due to the location of EYE20, projected expenses will likely be more than in the past. The Diocese has committed to cover 1/3 of the cost, with the expectation that the delegate's church provide at least 1/3, and participants raise funds for the final 1/3. Early estimates are that the church and delegate portion may total \$1,600 but could be more or less depending on the final number of delegates and post-convention arrangements. Please do not let the cost prevent anyone from applying.

If you have any questions or need help with your application, please see your youth leader or priest, or e-mail Sybil Nishioka at news@episcopalhawaii.org.
