Guest Speaker

Who is Erin Wolf?

Erin "Ernie" Wolf serves as the Executive Director of EpiscoWisco Camp and the Diocesan Youth Networking Coordinator for all three Episcopal dioceses in Wisconsin.

Camp has been a staple in Erin's life since age 9. She has had a variety of camp roles through the years and is thrilled to still be serving God in this way! Through her role at EYE23, she got to meet and work with our Hawaiian delegation.

Erin is an amazing song writer but most importantly, her greatest blessing is being Mamalorian to four incredible Younglings: Jorden (16), Lucy (14), Charlie (11), and Jonah (9). Things they think you need to know about their mum: "She's likes puns, is really good at being a musical camp singer and is funny.....but usually on accident"
