CHRISTOPHER GOLDING

CRIME: HAVING A BIG HEART

Dear Family and Friends,

I'm proud to tell you that I'm going "behind bars" to help fight muscle disease. I'm joining other community leaders to help raise critical funds for MDA Hawaii and I need your help to reach my bail! The Windward Lock-Up takes place on **Thursday, February 16th** but I am raising my bail before I go to jail. All you have to do is visit my website to make a secure, online donation today. Your support will help families living in our community with muscle disease. Please support me in this important goal by visiting my fundraising page or making a contribution to me. Your tax-deductible donation makes a difference to the hundreds of kids, adults and their families who live right here in our local community.

Thank you in advance for your help. Don't hesitate to call or email me with questions.

Thank you,

Rev. Christopher Golding
