THE EPISCOPAL DIOCESE OF HAWAI'I & ST. ANDREW'S SCHOOLS

## ST. ANDREW'S SCHOOLS

THE PRIORY ♦ THE PREP ♦ THE PRESCHOOL

Queen Emma Kaleleonālanī dedicated herself to serving the health, educational, and spiritual needs of her people. She provided access to quality healthcare for Hawaiian people with the establishment of The Queen's Medical Center in 1859.

In late 1861, along with her husband, Kamehameha IV, she brought the Anglican Church to the Hawaiian Islands. To provide for their educational needs, Queen Emma established St. Andrew's Priory School for Girls in 1867 which has grown to include The Prep for boys, K-6 and Queen Emma Preschool, children ages 2-5 years old.

In the spirit of our common royal and Episcopal heritage, St. Andrew's Schools would like to offer a \$1500.00 scholarship to The Priory or The Prep to children of members in good standing of any Episcopal Church in Hawai'i.

Members must obtain a reference letter/form with signature from the priest of their church, or if moving to Hawai'i, a letter from the church they left most recently. This letter/form must be provided at the time the student applies for admission to St. Andrew's Schools.
