Powerful Connections, Then and Now

This is a condensed version of our 5-day service retreat. We'll discover Kalaupapa—its history, culture, and 'aina.

We'll learn the personal stories of people who lived in exile with Hansen's Disease and reflect on how their stories speak to us today.

We'll notice how Kalaupapa speaks to our own spiritual journey and how God may be calling us to healing ministries or to missions of justice and compassion.

We'll help preserve Kalaupapa's heritage by performing volunteer service work and worshipping at historic Siloama Church, the church formed by the first patients in 1866.

Retreat limited to 9 adults, ages 16 and up.
