

### THANK YOU – NOTEBOOKS AND PRAYERS FOR OUR NICARAGUA TRAVELERS

This morning, twenty members of Union Church, along with Pastor Amy, are worshiping with our partner church Alpha-Omega in San Juan del Sur. Pastor Amy is preaching, and our children and adults are helping lead their Sunday School. We'll share the notebooks our children created as gifts, as well as crafts, songs, and food for reception. As part of Sunday School, we hope the children of Alpha-Omega may write letters back to our children too! During the week, this group will help to repair a school, and create a usable space outside for the kids to eat lunch and play. We'll also spend meaningful time with our partners at the Mobil Library and Brugger Foundation, and visit the communities of our former work sites. Thank you for your continued prayers and support as we travel and build relationships in Nicaragua! We look forward to sharing photos and experiences from the trip during worship on March 15<sup>th</sup>.

**March 8<sup>th</sup> – 7:00 p.m. Potluck with Speaker, Josephine Bolling McCall**

**Author of: *The Penalty for Success My Father was Lynched in Lowndes County, Alabama***

The speaker will tell the story of how her father's success as a businessman in Alabama led to his lynching and how that impacts his descendants and the community even today. This speaker will provide updates on the Legacy Museum and the Memorial in Montgomery both of which honor her father as one of many victims. This sensitive information will make a strong impact on students as they strive for improved social justice and diversity. Josephine McCall will also challenge participants to rethink the reality of life for blacks and whites in the mid-20<sup>th</sup> century rural South by considering joining a literacy campaign.

Research shows that children who have learned to read by the third grade have a much better chance of completing high school. Alabama has a new law that children will be retained if they do not successfully complete the third grade. The speaker hopes her presentation will set the stage for dialogue on creative ideas for participants to help improve literacy in Lowndes County, Alabama. If you are interested, please rsvp through the link on the Website or to Pastor Stacy ([stacy@ucw.org](mailto:stacy@ucw.org)).

If you can spend the whole hour with us that is great, however if it's only for a few minutes we truly understand and would love to see you. Hopefully we get a good combination of regulars, part timers, and new guys. Hope many of you can make it this Friday.

**Book Group – Sunday, February 23<sup>rd</sup> at 7:00 p.m.  
In Stacy’s Study.**

Our February read is the Pulitzer Prize winning “The Soul of America: The Battle for our Better Angels” by New York Times bestselling author, Jon Meacham. “While the American story has not always—or even often—been heroic, we have been sustained by a belief in progress even in the gloomiest of times. In this inspiring book, Meacham reassures us, “The good news is that we have come through such darkness before”—as, time and again, Lincoln’s better angels have found a way to prevail.” – Amazon Review
