I work in oils but the students are welcome to bring their medium of choice. The emphasis will be on drawing and form rather than magic formulas. It is suggested that the student bring at least a **warm AND cool of each primary color and some white.**

I will be concentrating on a head and shoulders portrait, and find that a **12x16 canvas is a good size.** I find that a canvas paper is great for the studies....saves money and space. Canson Canva-pad is my choice. Bring your favorite medium (Gamsol mineral spirits, Galkyd, or neo meglip) and brushes etc. Please read the attached studio guidelines about our ***Pack It In, Pack It Out*** policy.
