

Though you may use any medium you like, here is the Materials List that Dora would recommend for her students painting in oil;

< odorless turpentine (>Turpinoid? in the blue & white can) and a proper thinner holder

< favorite brushes

< paper towels and a bag to put used ones in < a palette

< a french easel

< a couple of palette knives

< and most importantly Only one tube each D red, yellow, blue, and white paints

NO OTHER COLORS OR PAINTS!

You will also need to bring a panel prepared with at least 2 coats of gesso around 12 x 16 or 9 x 12 for each session.
