## An Introduction to Cold Wax Painting

A Zoom Workshop provided by the Providence Art Club

Wednesdays, 10am-1pm via Zoom. September 23 – December 2, with no class November 11, 25

A workshop introducing cold wax medium and many of the techniques for painting and mixed media work. We will cover all the basics so that you will understand how and, more importantly why, you might incorporate using cold wax medium into your artistic practice. Get basic training, including using the materials safely and efficiently and have some fun exploring this revitalized medium.

### Materials:

Palette Paper

Oil paints
