Material List

The first items needed are images. We will work from printed photos or photos on a laptop/ipad. No using your phone. The more images the better. The following are mandatory images. Take a full view and also a close up almost macro view. Cropping is fine.

1. Architectural
2. Faces/portraits
3. Interior
4. Landscape/ Water scape/Rocks
5. Trees/Vegetation/Floral

Again, these are mandatory.
