### Join in as we are open for play!

This League is created with the idea of flexibility and adaptability to changing conditions. We intend to incorporate the fun elements of golf under a safe environment. Each play date will have a different format -- include a variety of games allowing us to get back on the course together. The pairings will change weekly to combine all ranges of golf experience and course handicap.

Goals for this unique league include: (1) the opportunity to meet and get to know more club members; (2) fresh outdoor air and exercise with friends; and (3) playing for fabulous prizes.

All Sacramento LPGA Amateur members are welcomed and encouraged to play. If you do not yet have an established handicap, we will utilize a temporary handicap based on your average score allowing you to play in this fun league. A prize fund is included in your \$10 registration fee.

**After registering for the league, you must sign up online for the date of each outing you are available to play. You are not required to play on all of the dates.** Each golfer will pay individually at the course on the day of the event. Courses, starting tee times and costs are listed below.
