Fall 2023 Stableford League

League Coordinators Marian Kubiak and Charlotte Wells

StablefordLeague@lpgaamateurssacramento.com

All LPGA Amateur members with an established handicap are welcomed and encouraged to play. This league consists of five rounds played in the months of September and October. We have room for 48 players each play day. A wait list will be established if there is a need. Your \$10.00 registration fee goes toward the prize fund.

This is a fun, team format using individual stroke-play. The game is based on a point system, where the points you earn are determined by your net score on each hole. Points are totaled after each round and prizes are awarded at the end of the league to the players accumulating the highest number of points. **Total points are calculated from your best three (3) rounds of the five rounds played. You are not required to play on all of the dates.**

Although scoring will be individual, competitors will play with a partner each week and better ball score format will be used for each round. Competitors will be allowed to name a partner they would like to play with for the entirety of the league. If players don't request a "league partner," a partner will be randomly assigned based on who is available to play at each event. If there is an odd number of players on any week, a blind draw will be used to equitably fill the pairings and complete the scorecard.

Points will be earned and accumulated during the league as follows:

- Net Eagle = 3 points
- Net Birdie = 2 points
- Net Par = 1 point
- Net bogey = Zero

After registering for the league, you must sign up online for the individual dates you would like to play. Prepaid events (highlighted below) must be paid no later than one week before the date of play. All other dates will be paid at the course.
