## Basic Rules of Golf

Rules of golf have changed to make the game more fun and to improve pace of play. This session is taught by Marcia Whiting, NCGA Rules Certified Tournament Official and rules are one of her passions.

Marcia will focus on the rules that are most relevant to you as a player with demonstrations for application on the course. She will review the situations on the Penalties and Option Bag Tag to ensure you understand how you get out of trouble on the golf course.

2019 USGA Player's Edition of the Rules of Golf and our LPGA Amateurs Penalties and Options Bag Tag will be distributed at the session.
