## 2021 Mix-it-Up League

Register for the league using the link at [www.lpgaamateurssacramento.com](http://www.lpgaamateurssacramento.com)

The Mix-it-Up League is intended to introduce and involve existing and new members in fun golf formats. Each week the coordinator will “mix it up” to create foursomes which combine all ranges of golf experience and course handicap. Goals for this five week league include: (1) the opportunity to meet and get to know more club members; (2) introduction to competitive play through fun team games and weekly education; and (3) providing each foursome with one or more experienced golfers to assist if needed.

All Sacramento LPGA Amateur members are welcomed and encouraged to play. If you do not yet have an established handicap, we will utilize a temporary handicap based on your average score allowing you to play in this fun league. We have room for 60 players. A prize fund is included in your \$10 registration fee. Prizes will be awarded at each event.

**After registering for the league, you must sign up online for the date of each outing you are available to play. You are not required to play on all of the dates.** Each golfer will pay individually at the course on the day of the event. Courses, starting tee times and costs are listed below.
