

SACRAMENTO, CA

Fall Stableford League

League Coordinator *Charlotte Wells* StablefordLeague@lpgaamateurssacramento.com

All LPGA Amateur members with an established handicap are welcomed and encouraged to play. This league consists of five rounds played in the months of September and October. We have room for 48 players each play day and a maximum of 60 for the league. A wait list will be established if there is a need. Your \$10.00 registration fee goes toward the prize fund.

This is a fun, team format using individual stroke-play. The game is based on a point system, where the points you earn are determined by your net score on each hole. Points are totaled after each round and prizes are awarded at the end of the league to the players accumulating the highest number of points. Total points are calculated from your best three **(3) rounds** of the five rounds played.

Although scoring will be individual -- competitors will play with a partner each week -- better ball score will be used. Competitors will be allowed to name a partner they would like to play with. If players don't request a "league partner", a partner will be randomly assigned based on who is available to play at each event. If there is an odd number on any week, a blind draw will be used to complete the scorecard.

Points will be earned and accumulated during the league as follows:

Net Eagle = 3 points

Net Birdie = 2 points

Net Par = 1 point

Net bogey = zero

After registering for the league, you must sign up online for the date of each outing you are available to play. You are not required to play on all of the dates. Each golfer will pay individually at the course on the day of the event. Courses, starting tee times and costs are listed below.

| DATE | COURSE | TEE TIMES START | COST |
|---------------|---------------|-----------------|------------------------------------|
| Sept 12 (Sat) | Spanos Park | 11:00 am | \$59 includes cart and range balls |
