## Basic Rules of Golf

Dang it, what's that rule again? I can't find my ball... now what?

Refresh your memory, or learn something new, during this session taught by Marcia Whiting, Rules Certified Tournament Official. It's the ideal class for any player who could use a review of the most common situations encountered during a round. The format is "on course" discussion and demonstration of basic rules. Topics include relief options from immovable obstructions, penalty areas, abnormal course conditions, and more.

Marcia will review the situations on the Penalties and Option Bag Tag to ensure you understand how you get out of trouble on the golf course.

Our LPGA Amateurs Penalties and Options Bag Tag will be distributed at the session.
