Beyond the Basics: Situations you have experienced on the course and wondered what to do

Instructor: Marcia Whiting, NCGA Certified Tournament Rules Official

Cost: FREE
Date: Thursday, April 8, 3:00-4:30
OR
Thursday, April 15, 5:30-7:00
OR
Thursday, April 29, 3:00-4:30

Location: Haggin Oaks (behind the white Pavilion tent)
Class Size: 10

For the golfer who has played several years and has a grasp of the fundamentals, this session provides a deeper dive into some challenging, but not uncommon, circumstances. We will review 25 situations which go beyond basic rules.

We have all experienced situations on the golf course in which we were not certain if we correctly applied the rules. Take this class and feel more confident on the course when you are in trouble because you will better understand your options and avoid additional penalties for wrong actions.
