

## GUEST POLICY

LPGA Amateur Golf Association Sacramento Chapter welcomes and encourages guests and members from other LPGA Amateur Golf Association Chapters to participate in our events. In accordance with LPGA Amateur Golf Association suggested guidelines, we have adopted the following guest policy.

Guests/Non-members may attend two (2) LPGA Amateur Golf Association Sacramento Chapter events per calendar year as *guests*. After they have participated in two (2) events, that person must become a member of the Sacramento Chapter in order to participate in events for the remainder of the calendar year. The Sacramento Chapter considers casual 9-hole weekday play as a potential “recruitment venue” and as such, the two (2) event limit does not apply. Exceptions to this may be made at the discretion of the Golf Events and Activities Director and/or the Board of Directors on a case-by-case situation (i.e., abuse of this guest privilege and reasonable participation for the purpose of determining personal “fit” before joining Chapter). Additionally, if tee time availability is limited, priority is given to members with guests placed on a wait list should a vacancy occur.

Visiting members from other Chapters are not restricted by this Chapter Guest Policy. However, visiting members who request to play in the same Chapter on a regular basis may be asked to become a dual member of our Chapter.

Dual Members: All LPGA Amateurs members have the opportunity to join multiple Chapters as a dual member for a minimal charge of \$35/Chapter. Dual members are considered full members of their primary and any secondary (dual) Chapters with all the rights and privileges afforded any other member. Dual members can also hold Chapter leader positions in any of the Chapters where they are a member.

Generally, persons registered to play after the field (ATF) as a guest will not be eligible to win skills challenges or game prizes at golf events. Exceptions to this may be made at the discretion of the Golf Events and Activities Director.

The LPGA Amateur Golf Association Sacramento Chapter has determined that there will be certain, designated events during the calendar year which will be exempted from this policy (for example, Swing Fore the Girls and the Par 3 Challenge). The Board may, from time to time, designate other events which will be exempted from the guest policy and will announce such exemption through normal communication channels.

It will be the responsibility of the Golf Events and Activities Director and her designee(s) to monitor guest attendance and to communicate with guests who are approaching, or have reached, their maximum events as guests. Members are encouraged to make their guests aware of this policy.

Adopted July 2020

NOTE: Membership is open to men, should they wish to join, and all member benefits are available to male members with the exception of non-eligibility to compete in official LPGA Amateur Golf Association competitive events.
