## Fast Trackers 8 Week Program

New to this game of golf, returning after a lengthy absence or just want to improve your techniques and skills? This program will quickly get you more comfortable with your game. In this popular program, students with a variety of skill levels learn and set goals, practice with purpose, master basic rules, understand etiquette, gain confidence and skill in putting, chipping, sand bunkers and the full swing. All classes are taught by Haggin Oaks professionals, and Basic Rules is taught by Marcia Whiting, LPGA Amateurs member and NCGA Certified Rules Official. Our final meeting and graduation is a fun 9-hole scramble where you put all your skills into action in a 4-person team format.

### SCHEDULE:

April 7	Program Overview, Introductions, "Practice with Purpose" theory and strategy with Tom Morton, basic golf etiquette, tour of the Haggin Oaks campus.
April 14	Putting and Chipping
