

SACRAMENTO, CA

## 2023 Mix-it-Up League

Register for the league on The LPGA Amateurs Sacramento Chapter Website, then register for each of the individual rounds on Golf Genius using GGID **MIXITUP2023**

**Spring into golf by joining this league which includes friendly and forgiving formats in a learning environment!**

If you would like to meet and play with friends old and new, this is the league for you! The format for this fun league changes weekly. Each week the coordinator will "mix it up" to create foursomes which combine all ranges of golf experience and course handicap. Goals for this five week league include: (1) the opportunity to meet and get to know more club members; (2) introduction to competitive play through fun team games and weekly education; and (3) providing each foursome with one or more experienced golfers to assist if needed. And it's SUPER FUN!!

All Sacramento LPGA Amateur members are welcomed and encouraged to play. If you do not yet have an established handicap, we will utilize a temporary handicap based on your average score allowing you to play in this educational league. We have room for 60 players for the league. A prize fund is included in your \$10 registration fee. Prizes will be awarded at each event.

**After registering for the league, you must sign up online for the date of each outing you are available to play.** As with all leagues, you are not required to play on all of the dates. The bolded rounds below require pre-pay. Otherwise, you will pay at the course. Cancellations for pre-paid rounds will require 8 days notice. Courses, starting tee times and costs are listed below.
