

Mix It Up 2024

If you would like to meet and play with friends old and new, this is the league for you!
The format for this fun league changes weekly. Each week the coordinator will “mix it up” to create foursomes which combine all ranges of golf experience and course handicap.
Goals for this five-round league include: the opportunity to meet and get to know more club members; introduction to competitive play through fun team games and weekly education; and, providing each foursome with one or more experienced golfers to assist if needed. And it’s SUPER FUN!!

All LPGA Amateur Sacramento Chapter members are welcomed and encouraged to play. If you do not yet have an established handicap, we will use a temporary handicap based on your average score allowing you to play in this educational league. We have room for 60 players for the league, but each round is limited to 48 players (based on last year’s league participation and course availability).

A prize fund is included in your \$10 registration fee. Prizes will be awarded at each event.

After registering for the league, you must sign up online for the date of each outing you are available to play.

The starred* rounds below require pre-pay. Otherwise, you will pay at the course.

Cancellations for pre-paid rounds must be received no less than a week out from each event.

If the course charges the Chapter for a late cancellation, the member will not receive a refund.

Sun, Mar 10	Start at 9:00 a.m.	Empire Ranch	\$79 ride*
