Are you ready to play at a course outside of the Sacramento area? Join us for a fun day playing at Bay View Golf Club located in Milpitas. Perched above the Milpitas Hills, the course offers sweeping views of the South Bay Area, the Peninsula, and the San Francisco Bay. This course will offer challenges to golfers of all levels.

Easily accessible from Hwy 680, it's about a two-hour drive from Sacramento (and about 15-min north of San Jose). Consider having a bite at the course's restaurant after you finish your round if you want to avoid commute traffic before driving home. The restaurant offers an innovative Pacific Asian cuisine menu, full bar, and outdoor fire-pit seating. If you want to stay overnight before or after the event, there are several hotels located nearby.

Thanks to our member, Cindy Roof, for arranging this; her son is the general manager at the course!
