SACRAMENTO, CA

2020 Snow Bunny League

League Coordinator: Theresa Garcia SnowBunnyLeague@lpgaamateurssacramento.com

California winters allow for some great golfing days!

The Snow Bunny League provides for some no-pressure fun play during the winter months. Play all or just some of the outings.

What do I need to do to REGISTER for the league?

Registration for the league is open now through January 4, 2020 on the Sacramento LPGA Amateurs website. Tee times have been set up for 32 players but can be expanded if the interest is high. The prize fund is included in your \$15 registration fee for the league and prizes will be awarded at each event.

How will the coordinator know I want to play in an outing?

You will sign up using **Golf Genius** for each outing you are planning to play. You will pay green fees individually at the course on the day of the event. No commitment to play in all of the outings, just the ones you want to or can. Venues, starting tee times and costs are listed below.
