

## The Angel Trees

The Angel Trees are up in the Narthex! There is a tree for children and a tree for seniors. Gifts for children through Salvation Army should be returned unwrapped, with the tag attached. Gifts for seniors should be returned wrapped with the tag attached.

If you are attending in-person, please choose a tag with the gift information from the trees. Please note which tags you take on the appropriate clip board.

Or, if you would prefer, please contact Doug Bolton by [email](#), text or phone (678-858-2080) to get information about a gift tag.

All gifts are due by **December 10**. Please be in touch with Doug if you are not planning to drop your gift off at the church.
