

Volunteer Opportunities

November 19, 2020

Blood Drive

FPC will host a Blood Drive on Wednesday, November 25 from 11:00am-4:00pm. Volunteers are needed. Contact [Doug Bolton](#) to sign-up.

Food Pantry

The Newton County Community Food Pantry is not currently open. However, they are still buying food and receiving donations. Food donations should be made to the food pantry at First United Methodist Church; just mention that you are donating specifically towards the Newton County Community Food Pantry.

And the food pantry at First United Methodist is in need of volunteers. They practice all CDC guidelines for community organizations and organizations that work with at risk populations. See below for opportunities; if this is your first time volunteering with their new system register with [Hands on Atlanta](#).
