

## **Warning about Email Scams**

Please be aware of email scams. All emails from Peni, Kimmy, and Neeley will come from @fpccov.org.

If an email sounds suspicious or you are unsure about an email's validity, please double check the email address. There are people who will use our names, but false email addresses.

If you have any questions about an email you receive, instead of pressing "reply," please create a new email and direct your response or question to us in a new email.
