

A vibrant, flat-style illustration of a cluttered room, likely a garage or basement, filled with various items for sale. At the top center, a large, stylized green word "Sale" is written in a cursive font. On the left, a dark brown bookshelf holds several books of different colors (red, blue, yellow, orange, and grey). In the center, a wooden table displays a globe on a black stand, a yellow vintage-style radio, and two blue ceramic vases. To the right, another wooden table holds a brown cardboard box labeled "FOR SALE" in white text, a yellow teapot, and a grey boombox. A brown leather boot is placed on the floor next to the boombox. In the foreground, a framed picture of a blue swan with orange flowers is displayed, with a small brown tag attached to it that says "10 \$". The background is a solid light yellow color.
