

# Explore your future in health care

## Are you a student aged 18 or older interested in a career in health care?

Join The University of Texas MD Anderson Cancer Center for a Career Mobility Fair focused on the Procedural and Therapeutics Division to explore health care career options and talk directly with professionals about what they do and how they got started.

- Learn about different roles and career paths in health care.
- Ask questions and hear real stories from people working in health care today.
- Get a better sense of education, training and skills needed to pursue a health care career.

## Wednesday, Feb. 25 | 12-2 p.m.
