## WHO WE ARE

UMVIM is the official short-term sending agency of the United Methodist Church. United Methodist Volunteers in Mission is a grassroots movement of United Methodists who seek to put their “Christian Love in Action.” Since the 1970s, UMVIM has offered a framework through which disciples can engage in short-term mission locally, nationally, and globally.

## WHY WE DO IT

We emphasize matching persons with opportunities because we believe that God calls all Christians “to bring good news to the oppressed [and] to bind up the brokenhearted” (Isaiah 61:1) and to love their neighbors as themselves. We believe that the neighbors we are called to love exist both next door and halfway around the world.

## HOW WE SHARE

Resources for Individuals, teams, team leaders, local churches, districts, conferences, projects, and site directors are available through the web site, newsletters, mission academies, social media, and primarily by connecting, training, and serving together in community to build relationships and partnerships.
