BOOKS FOR THEOLOGICAL AND CHRISTIAN EDUCATION LEARNING CENTERS

Hold those books! Young minds aspiring to become church workers or seasoned workers in God's vineyard who yearn to advance their knowledge with new and exciting ideas for service can use them. You can now transfer the knowledge you have possessed for so long – that they will follow in your footsteps -- to those who cannot afford to buy those useful books. Donate them to NAFAUM (National Association of Filipino American United Methodists).

In conjunction with the NAFAUM BalikBayanihan 2018, we are collecting used textbooks or reference books to fill the needs of libraries of United Methodist theological and Christian education learning centers in the Philippines. With your help and those books, God's reign on earth will prevail.

If you are not able to donate a book, you may donate money to pay for the shipping of the books. We will acknowledge your donation. Thanks.
