

## **Hole in One, Record Attendance Highlight the Council's Golf Outing August 30th**

Sono-Tek's Joanne D'Adamo used her 5 wood to ace the 135-yard 16th hole at Newburgh's Powelton Club, and the team from NRG Direct took home the Council Cup by winning the Best Ball competition. The other big news from the event was that the storms held off until the very end (most golfers finished 17 holes), a record 100 golfers participated, and the outing had all the fun and camaraderie of a pre-pandemic event.
