Are you rich or poor? How do you know? Is being rich and poor only about money? Can you be rich in friends? Poor in faith? Listen to the sermon today to hear more about why thinking rich people are more important can be a mistake.

This packet is best suited for our older kids: elementary aged readers and writers

Think about a time maybe you judged someone based on how they looked or on something you heard about them. Were you fair to them? God calls us to see people how HE sees them - we are ALL made in his image. In the box below, write an apology to the person you judged, then say the prayer at the bottom of the page.

Which of these kids would you rather be friends with? What if you found out the dirty kid had cool toys, a big house and a pool? Should we focus on what people have and what they look like or what's on their inside? What would God want?

Dear God,
Thank you for letting all be welcome in
your family.
Help us to see others through your eyes
And treat them with care and fairness.
Thank you for your love
We love you, God!
In Jesus name, Amen!

Focus words

Color it!

compassion

Trace it!

compassion

Write it!

What does it mean?

Compassion means that we care about others, treat them with kindness and feel a strong desire to help people who need help! God wants us to have compassion for all people - not just the poor or sick.

Look at the people below and put a circle around the ones that should be able to come to our church.

The truth is you should have circled ALL of those people! We need to focus on what God sees, not what people assume

Memory verse:

Proverbs 22:2

'The rich and the poor meet together; the Lord is the Maker of them all.'
