## Continuing the conversation

Today Pastor CJ is talking to us about how Jesus lived in the world, just like we do, and people didn't receive Him well. He was eventually killed because people didn't like what He was saying. We will face times like this as well when people will treat us differently because we follow Him.

When we choose to follow Jesus and show others who He is, it means that sometimes people might treat us differently. We should continue to respond joyfully!

Sometimes when things get hard, it is difficult for us to keep a positive attitude and find joy. Think of a time that you had that was hard. Draw or write about what happened and how you found joy in that situation.

I can find joy during trials.

## What does it mean?

Persecution means that someone is treated differently or unfairly because of something they believe or something that is different about them. Jesus faced persecution and so will we!

Sometimes it is hard to remember to happy and find things good in our lives when it feels like everything is bad. In the box below, draw a picture of how you can find joy during a hard time.
